Hi Erin (and Angela), I see that you're both in the memo but I don't see any comments from either of you. When do you anticipate submitting comments?

I ask because we plan to submit for BC review at COB today. We have navigated to a separate Word file (where we can edit and resolve other reviewers' comments) and don't want to miss your input.

Lindsay,

I'm sorry I've been focusing on other pieces this morning. I would still like to take a look, but won't be able to until
1. Can I be in there working while you are reviewing others' comments?

Thanks,
